This industry aims to connect Manufacturers, international brands, and exporters with retailers, OEM buyers, importers, distributors, institutional buyers and interior designers, Dealers, Hoteliers, Modern Retailers and Corporates, all driven by a passion for transforming ordinary moments into extraordinary experiences in Vibrant India. We are in the process of organizing a B2B exhibition to mark the commencement of the prime sourcing season for Indian buyers. Our exhibition has achieved success through a significant increase in both participants and visitors. Vibrant India 2023 attracted over 26,000 high-potential dealers and buyers from 350 cities and towns across India, with 500 brands, manufacturers, and importers from India and various countries showcasing their products, making it the largest fair for the Indian kitchenware, home appliance, and houseware market. More than 90% of visitors and 85% of exhibitors reported high levels of satisfaction and contentment with the event. Their participation and attendance at the most captivating event of the upcoming year is highly anticipated. India is projected to emerge as one of the top three economic powers within the next 10 to 15 years. This year, over 800 local and international brands will showcase their products at this exhibition. Visitors from India & abroad will have three days to present their products and innovations, as well as explore a comprehensive range of offerings across all categories. A significant number of attendees from various sectors are expected to leverage the favorable market dynamics of demand and supply. The estimated attendance at this exhibition is projected to be between 38,000 and 40,000 visitors. sectors are expected to leverage the favorable market dynamics of demand and supply.
